Advisory Committee Note

Rule 71 (Enforcing Relief For or Against a Nonparty) has been moved to Title VIII (Provisional and Final Remedies) to reflect the structure of the Federal Rules of Civil Procedure and because it does not fit within the subject matter of Title IX (Filing of Official Documents) of the rules of this court. Accordingly, Rule 70 – currently a reserved rule – has also been moved to Title VIII. In addition, the Practice Comment has been deleted as no longer necessary.
