Whereas the Court, having determined that it is necessary to adopt procedures to ensure uniformity in the deposit, investment, and tax administration of funds in the Court's Registry;

NOW, THEREFORE, IT IS ORDERED as follows:

- I. Receipt of Funds.
 - A. No money will be deposited in the Court's registry without a court order signed by the presiding judge in the case or proceeding.
 - B. The party making the deposit or transferring funds to the Court's registry must serve the order permitting the deposit or transfer on the Clerk of Court.
 - C. Unless provided for elsewhere in this Order, all monies ordered to be paid to the Court or received by its officers in any case pending or adjudicated will be deposited with the Treasurer of the United States in the name and to the credit of this Court pursuant to 28 U.S.C. § 2041 through depositories designated by the Treasury to accept such deposit on its behalf.
- II. Investment of Registry Funds.
 - A. Where, by order of the Court, funds on deposit with the Court are to be placed in some form of interest-bearing account or invested in a court-approved, interest-bearing

instrument in accordance with Rule 67, the Court Registry Investment System (“CRIS”), administered by the Administrative Office of the United States Courts under 28 U.S.C. § 2045, will be the only investment mechanism authorized.

B. Interpleader funds deposited under 28 U.S.C. § 1335 meet the IRS definition of a “Disputed Ownership Fund” (DOF), a taxable entity that requires tax administration. Unless otherwise ordered by the Court, interpleader funds will be deposited in the DOF established within the CRIS and administered by the Administrative Office of the United States Courts, which will be responsible for meeting all DOF tax administration requirements.

C. The Director of the Administrative Office of the United States Courts is designated as custodian for all CRIS funds. The Director or the Director’s designee will perform the duties of custodian. Funds held in the CRIS remain subject to the control and jurisdiction of the Court.

D. Money from each case deposited in the CRIS will be “pooled” together with those on deposit with Treasury to the credit of other courts in the CRIS and used to purchase Government Account Series securities through the Bureau of Public Debt, which will be held at Treasury, in an account in the name and to the credit of the Director of the Administrative Office of the United States Courts. The pooled funds will be invested in accordance with the principles of the CRIS Investment Policy as approved by the Registry Monitoring Group.

E. An account will be established in the CRIS Liquidity Fund titled in the name of the case giving rise to the deposit invested in the fund. Income generated from fund investments will be distributed to each case based on the ratio each account’s principal

and earnings has to the aggregate principal and income total in the fund after the CRIS fee has been applied. Reports showing the interest earned and the principal amounts contributed in each case will be prepared and distributed to the Court and made available to litigants and/or their counsel.

F. For each interpleader case, an account will be established in the CRIS Disputed Ownership Fund, titled in the name of the case giving rise to the deposit invested in the fund. Income generated from fund investments will be distributed to each case after the DOF fee has been applied and tax withholdings have been deducted from the fund. Reports showing the interest earned and the principal amounts contributed in each case will be available through the FedInvest/CMS application and made available to litigants and/or their counsel. On appointment of an administrator authorized to incur expenses on behalf of the DOF in a case, the case DOF funds should be transferred to another investment account as directed by court order.

III. Fees and Taxes.

A. The custodian is authorized and directed by this Order to deduct the CRIS fee of an annualized 10 basis points on assets on deposit for all CRIS funds, excluding the case funds held in the DOF, for the management of investments in the CRIS. Under the Court's Schedule of Fees, the CRIS fee is assessed from interest earnings to the pool before a pro rata distribution of earnings is made to court cases.

B. The custodian is authorized and directed by this Order to deduct the DOF fee of an annualized 20 basis points on assets on deposit in the DOF for management of investments and tax administration. Under the Court's Schedule of Fees, the DOF fee is assessed from interest earnings to the pool before a pro rata distribution of earnings is

made to court cases. The custodian is further authorized and directed by this Order to withhold and pay federal taxes due on behalf of the DOF.

IV. The effective date of this Order is the date the CRIS DOF begins to accept deposits.
