United States Court of International Trade Implementation of NextGen CM/ECF

On March 13, 2020, the United States Court of International Trade will begin upgrading its current CM/ECF system to NextGen CM/ECF. Once fully implemented, this new system will provide better services to the judges, the bar and court staff.

Electronic filing will resume on Monday, March 16, 2020. Any filing deadlines that fall on Friday March 13, 2020 will be moved to Monday, March 16, 2020.

Beginning March 16, 2020, you will need an upgraded PACER account linked to your CM/ECF account to file documents with the Court.
