PRACTICE COMMENT: Pursuant to Rule 75, government attorneys who appear on behalf of the United States must now be admitted to practice before the court. However, because attorneys in the employ of the United States government are exempt from admission fees, they will not receive a certificate upon their admission to the U.S. Court of International Trade because the court incurs an expense in printing these certificates. If a U.S. government attorney would like a certificate, a request can be submitted to the court's attorney admissions section, along with a check in the amount of \$~~81~~**88**.
