Specific Instructions – Form 17 is amended as follows:

**Form 17**

As provided in Rule 73.2(c), the filing of a properly executed Business Proprietary Information Certification with the court entitles an attorney representing a party in an action brought pursuant to 28 U.S.C. § 1581(c), **except an action described in section 517 of the Tariff Act of 1930**, to have access to business proprietary information in the administrative record. Further, as also provided in Rule 73.2(c), the filing of a properly executed Business Proprietary Information Certification (including the required additional certifications as detailed in Form 17) entitles a non-attorney consultant to have access to business proprietary information in such an action. The Business Proprietary Information Certification shall be substantially in the form set forth in Form 17. Assuming that the properly executed Certification is timely filed, obtaining the consent of the other parties is not necessary for individuals who were subject to the administrative protective order in the underlying proceeding. Form 17 and the provisions referred to in the form are designed specifically for use in an action brought pursuant to 28 U.S.C. § 1581(c), **except an action described in section 517 of the Tariff Act of 1930**, and are not intended for use in other actions.
